

INSTRUCTIONS FOR SPEED RING 2945

Fits Lowel Pro-light / i-light

Mounting the Ring to the light:

- 1 - Attach the adapter rod to the Speed Ring using the supplied ¼-20x3/4" Phillips head screw.
- 2 - Loosen the accessory slot thumbscrew on the Lowel stand adapter.
- 3 - Slide the Speed Ring over the front of the light, inserting the adapter rod into the accessory slot on the stand adapter.
- 4 - Assemble Lightbank on Speed Ring
