

INSTRUCTIONS FOR SPEED RING 9035

Fits up to three Lowel Tota Lights

CAUTION: THE TOTA SAFETY SCREENS MUST BE USED WITH THIS LIGHT FIXTURE/SPEED RING COMBINATION.

DO NOT USE POWER DRIVERS FOR ASSEMBLY

Assembling the 9035:

- 1- Attach the grip head bracket to the outside of frame as shown in the photo using the two 5/8" long Phillips head screws.
- 2- To attach the 2.5" Griphead to the grip head bracket separate the two grip plates on the Griphead and slide both sides around the two studs on the bracket: tighten in place.
- 3- The mounting bar is designed to center mount one, two or three Tota lights. Attach as shown in photo below.
